

INTEREST RATE BULLETIN

for monies received in the home office from
June 1, 2010 through June 30, 2010

The rates below are effective interest rates for funds received in the home office during the specified period for currently issued products. You will be advised of rates for funds received after the period covered by this bulletin. Contributions or rollovers in excess of \$500,000 will require an interest rate quotation from the home office Investment Division – contact Vic Weber at (800) 284-8575 ext. 3682. Please direct all other questions about this bulletin to your recruiting general agent or the home office sales and marketing support staff at (800) 276-7619 ext. 4264.

Changes from the last Interest Rate Bulletin are displayed in **bold**. Please file this bulletin for future reference.

States approved for sale can be found on Assurity Life agent-only site, AssureLINK (<https://assurelink.assurity.com>) by selecting Reports, then State Product Approvals.

Interest rates utilized in the ForeSight illustration system must be updated with current rates provided in this bulletin by running the Foresight Monthly Interest Update available on AssureLINK (<https://assurelink.assurity.com>) at the bottom of the Illustrations/Misc tab labeled FS Updates. Interest rates found in the online Fiserv illustration system will update automatically; the desktop version must be updated manually by the user through System Updates as prompted. All updates for the ForeSight and Fiserv systems will be available on the first of each month.
