Original applications must be received the business day prior to the rate effective date to hold previous rates. Rates are held for 45 days from the effective date. Interest rates, participation rates, index caps and index spreads subject to change. Products and features not available in all states. IRAs and other qualified plans already provide tax-deferral like that provided by an annuity. Additional features and benefits such as contract guarantees, death benefits and the ability to receive a lifetime income are contained within the annuity for a cost. Please be sure the features and costs of the annuity are right for you when considering the purchase of the annuity. Withdrawals may be subject to Federal/State income tax and, if taken prior to age 59 1/2, an additional 10% Federal penalty tax. Neither the company nor its agents or representatives can provide tax, legal or accounting advice. Guarantees based on claims-paying ability of the insurer.
